2. Patron Comments-

3. LAND Trust Budget update

- Are we on track to spend the money? Yes we are on track to spend and have \$9,000 carryover
- Almost entire budget is allocated to salaries

4. Safe Route Plan

- Added new stoplight to the safe route plan
- Still have crossing guard even with the stoplight
- Area off school campus, not school property so it is not monitored. Has been noted in the plan for the meeting with the city

5. Trust Lands Plan 23-24

- In the plan last year Math goal was based on RISE proficiency because no RISE testing from COVID years, could not get a growth score. We can now use a growth score if we want to change it.
- Acadience testing for ELA not RISE. RISE uses student peer groups Acadience is based on the individual student. RISE is a once a year test, Acadience is three times a year and tests K-2.
- Principal believes we should look at growth and proficiency
