

December Newsletter

December is here!

December is a magical month here at South Jordan Elementary. There are already signs of winter cheer with artwork, secret elves, and holiday songs seen and heard throughout the halls. Our school choir and orchestra are preparing for holiday performances, and our Angel Tree project is in full swing. I love seeing the fun ways that teachers integrate celebration into their daily lessons and activities, making memories while learning is taking place.

Winter Reminders

There are still a few ornaments available for our Angel Tree donations. As a school we are providing gifts for families in need. Ornaments can be picked up off of the tree in the office anytime. All gifts should be returned to the office unwrapped by Dec. 10.

Our lost and found is overflowing with jackets, hats, and sweatshirts. Please take time to come look through it if your child is missing something. We will put the items on display in the main hallway between Dec. 15 and 19. Items remaining on Dec. 19 will be donated.

With the colder weather, some students have brought cough drops to school. Please be aware that non-medicated cough drops are allowed, but any that contain medication, even menthol or numbing ingredients, are not allowed. If you have any questions please check with the front office staff.
