

August 2026 Newsletter

Hello South Jordan Elementary Families,

Can you believe that it is August already? Here at SJE we are busy preparing to welcome teachers and students back to school. I hope that you are enjoying the last few weeks of sleeping in, making memories, or whatever your perfect summer includes.

Teacher and Class Assignments

Teacher assignments will be visible in Skyward sometime this Friday, August 7. It has come to our attention that some students accessed or were told preliminary information on class assignments that was not finalized or accurate. We have changes happening every day as students move in and out. We make every effort to create balanced classes that will best meet the needs of all students. Please disregard any information that was accessed previously. Teacher assignments are subject to change until finalized this Friday. The only official place to view teacher assignments will be in each individual student's Skyward account at the end of this week.

Annual Online Registration

The window is open for parents to complete the annual student registration on Skyward. Please take this opportunity to update emergency contact information, acknowledge policies, etc. Students are not able to use school devices until the annual registration is complete.

Back to School Night

We are excited to welcome everyone to Back to School Night on Monday, August 17 from 5:00–7:00 pm. Teachers will be in classrooms during the open house hours from 5:00–6:30. You and your children can come meet the teachers and see the classrooms and school. At the same time, the PTA and other school staff will be putting on “Andy’s Backyard Carnival” outside on the south and southeast ends of the school property. There will be games, food trucks, and tables with information and opportunities to volunteer throughout the year. Ms. Haynie (our assistant principal) and I will be at a table giving out otter pops. We hope to say hello to as many of you as possible.
