

Parents of Students at SJE...Your KIDS are "Tech-Savvy!"

There are so many exciting technology tools to help your "Tech-Savvy" child do their best in school. Below is a summary of several of our favorites, along with website addresses, logins, passwords, and instructions to use them. Just call if you have questions.

Need MATH Help?

★ **THINK CENTRAL**--Online Math Textbook! Math resources like MegaMath or iTools
<https://www-k6.thinkcentral.com> Username: lunch # Password: lunch # again

★ **Starfall** <http://www.starfall.com/index.htm?> Learn ABC's, beginning reading skills, plus more.

OR! Language

★ **LEXIA-CORE5**—browser, app, or download. This is an amazing reading program that targets K-5th grades. It targets key reading components like decoding, fluency, vocabulary, and comprehension. Go to LexiaCore5.com

★ **Login:** Student ID/Lunch # and **Password:** read (Just use a teacher's email the first time you login.)

★ **Parent Sneak Peek**—http://www.lexialearning.com/go/tryme_core5 Try it out!

★ **VocabularySpellingCity.com** Practice Spelling and vocabulary words. Play word games, writing

★ **Raz-Kids.com** Online leveled books. Need teacher username. **Student login:** NameKey **PW:** Lunch#

WOW! Once again this year

★ **BrainPOP Jr.** —is a pay site that creates online animated curriculum-based content that is aligned to state education standards. It includes video, game, quiz, and activity sections for science, health, writing, reading, social studies, and math based on national education standards. <https://jr.brainpop.com/> General Login: southjordan Password: rams OR sign in with login G-Suite

How About the World Around Us....

★ **WorldBookonline.com** "Worldbook Kids" & "Early World of Learning" are areas that will be most beneficial for our younger grades. **Login:** southjordan **Password:** rams

Even UEN Student Interactive

★ uen.org/k-2interactives is just perfect for practicing skills needed to succeed in school, including ABC's Reading, Listening, Math, My World, and many others. Students will think they are playing a game but actually be learning. At home **Login:** online **Password:** database

Our other Favorite Sites

★ **ABCya** <http://www.abcya.com/> letters, math, holiday, strategies, and skills by grade levels.

★ **Starfall** <http://www.starfall.com/index.htm?> Learn ABC's, beginning reading skills, plus more.

★ **The STEM Activities at preschool.uen.org** Science, Technology, Engineering and Math Activities

★ For an intro to CODING kodable.com & code.org

Like, Learn to Keyboard...Keyboarding skills are required from 3rd grade up and are essential for students to complete year-end testing and all our exciting projects we have planned this year.

★ **TYPETASTIC.com** —a keyboarding program full of games and practice the will help our K-2 students.

★ **Typing.com** — the program that the 3rd-6th graders use. An online keyboard shows correct fingering.

★ **DANCE MAT** — teaches students the correct fingering. Our 1st graders often start here, but all grades 1-6 use Dance Mat to learn correct fingering. **Just do a search for "Dance Mat" in your favorite browser.**

Don't Forget the Lab Favorites and other links on our schools website

★ **SJE Website/Bookmarks** for these and other favorites links go to:
