

# Kindergarten Enrollment for 2026-2027

Dear Parents and Guardians,

It's time to sign up for Kindergarten in Jordan School District for the 2026-2027 school year. If your child will be five years old on or before September 1, 2026, please complete the Skyward New Student Online Enrollment as soon as possible.

## Kindergarten Schedule Options

When you enroll, you may choose between two schedules for Kindergarten. Please select your choice in Skyward.

### 1. Full-Day Kindergarten

- Your child will go to school all day, like students in other grades.
- They will learn all subjects using the Kindergarten State Core Standards.

### 2. Half-Day Kindergarten

- Your child will go to school for part of the day (based on the designated half-day kindergarten hours).
- They will focus on English language arts and math as required by R277-730.
- You may not be able to switch to full-day later unless there is room.
- There must be enough students signed up to have a half-day class.
- The deadline to register for half-day is **Sunday, March 1, 2026**.
- If not enough students sign up, your child will be placed in a full-day class with a half-day schedule (see description below).

#### Full-Day Class with a Half-Day Schedule

- If your school does not offer a separate half-day class, your child may be placed in a full-day classroom, but attend only part of the day.
- They will focus on English language arts and math as required by R277-730.
- You may choose to switch to full-day if you want.

## How to Sign Up
