What an exciting and busy month! I look forward to seeing some of you at these events.

Thank You, PTA!

We have an incredible PTA here at South Jordan Elementary. They work tirelessly to bring funding and programs to our school. I am so grateful for their efforts with the fundraiser, spirit days, birthday tables, teacher recognitions, and many more things they do every day. In September, the PTA helped with a safety BLITZ during drop off and pick up. Please remember to follow all safety procedures in and around the school. Supervision is provided outside 15 minutes before school. Students should not be arriving earlier than this unless they are eating breakfast and are going straight to the cafeteria. Thank you for helping to keep all of our students and staff members safe every day.

All of our school safety plans can be found on our website:

Cooler Weather on the Way!

As the weather changes, please be sure that your students are dressing appropriately. Students will play outside if the “feels like” temperature is 20 degrees or warmer. If there is rain, heavy snow, or lightning in the area students will be kept inside. Please make sure your students are prepared to have fun outside. With cooler weather we also see a big increase in items for our Lost and Found. The Lost and Found is located in the south hallway of the gym. Please check in at the office if you would like to look through the lost and found.

Thank you for sharing amazing students with us every day . We are glad that you are a part of our South Jordan community.

Go RAMS!
