Instructions: Write about a problem you've had and how it was solved.

PROBLEM:

The image shows a full page of handwriting practice paper. It contains four identical sets of horizontal lines, each set consisting of three lines: a solid top line, a dashed middle line, and a solid bottom line. These sets are arranged vertically down the page, providing a guide for letter height and placement.

SOLUTION:

This image shows a full page of handwriting practice paper. It contains four identical sets of horizontal lines, each set consisting of three lines: a solid top line, a dashed middle line, and a solid bottom line. These lines are designed to help children learn the correct height and placement of letters. The sets are evenly spaced across the page.
