

SJE's production of *The Little Mermaid Jr.*

At the parent meeting you will be provided with the 2 page contract and be able to sign up for an audition timeslot.

Students may not audition without the contract completely filled out and signed. The contract is handed to the directors at the audition.

*****Parent and student signatures must be included for a student to audition.***

The signatures mean you understand and can abide by the contract rules.

Please look through the rehearsal schedule and Character Guide. Both will be discussed in detail at the Parent Meeting.

You will need to provide ANY conflicts you may have that could prevent you from attending or leaving early from rehearsals. This will be considered before the directors will assign character parts. We are trying to take your other activities into consideration and be as flexible as we can so everyone can have other interests as well as be in the musical. Please be willing to help us by being as flexible as you can. It is important that everyone is at **EVERY** rehearsal they are scheduled for, unless they are ill. It is very hard to create the energy and relationships between the characters if the actors are not there to portray their characters.

Main Cast students need to commit to every rehearsal they are scheduled for, as well as every rehearsal from March 2nd through performances.

****Any Ensemble Cast Member who misses or leaves early from 3 rehearsals for the same scene due to vacation or other other activities, will MOST LIKELY not be in that scene. For the big dance numbers, it is important that cast members are present during rehearsals.**

Please consider your schedule BEFORE you audition and accept a part.

We are so excited for this production. THANK YOU for wanting to be a part of this adventure! As you can tell, we take our craft very seriously. Our production quality is a direct reflection on our school, our students, and our community.

See you at the meeting,

The SOJO Elementary Musical Team
