

September 2025 Newsletter

Hello South Jordan Elementary Families,

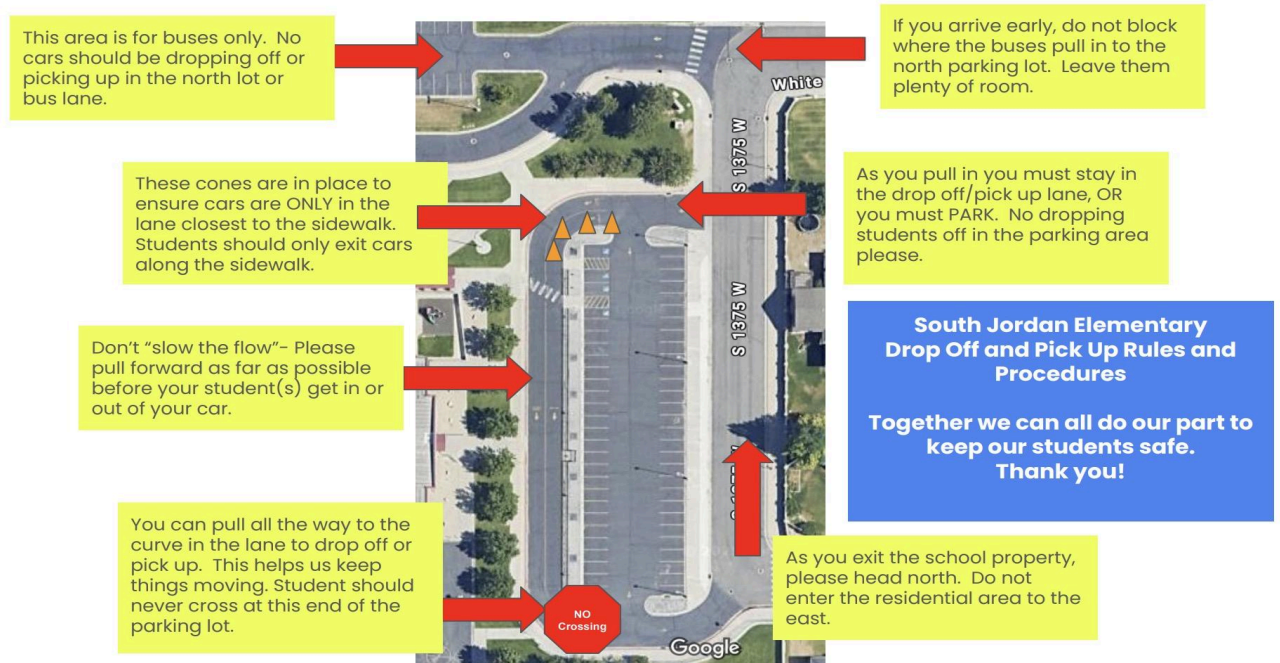

What an incredible two weeks we have had! I have loved meeting the students and families at South Jordan Elementary. The teachers and students are doing an amazing job of learning and practicing routines and procedures, building community, and making new friends. Nothing makes me happier than seeing our students come in happy and ready to learn. One of my goals is that all students feel safe at school every day- safe to learn, make mistakes, be themselves, ask for help, and be a friend to others.

Safety Reminders

Safety is always a huge priority at South Jordan Elementary. Our school is most safe when school employees, parents, and community members work together. Please remember the following as we strive to ensure the safety of our students:

1. All adults must sign in, show ID, and wear a visible visitor/volunteer sticker while inside the school or on school property during school hours.
2. All classroom volunteers must be fingerprinted (one time only) and review the Code of Conduct (annually) before working with students or going on a field trip.
3. Adults should not be on the playground, blacktop, or anywhere else on property while school is in session. If a teacher asks if you checked in at the office please support their efforts by following safety guidelines.

4. Pick up and drop off procedures ensure safety before and after school. Please refer to the diagram for routines and expectations.
