All the materials the students will need for their audition are available on the school website. The school website also contains online links to the songs that have vocals for them to practice so they can prepare to sing for us.

We want to hear them sing actual pieces they may be performing. The more they practice, the better the idea we will have of how they will potentially perform in that roll.

We ARE NOT DOUBLE CASTING THIS YEAR. Therefore, we are requiring students to be in masks during school and in crowded areas to stay as healthy as possible.

Please attend the Parent Zoom Meeting on Wednesday November 10th. The Zoom link will be sent to the parent email provided in the contract.

Please print off and complete the following pages and bring them to your audition.\ Parent signature must be included.

You will need to provide ANY conflicts you may have that could prevent you from attending rehearsals. We are trying to take your other activities into consideration. If you have piano lessons, soccer practice, or other weekly activities, please let us know. We will try and arrange rehearsals of different scenes with conflicts in mind as much as possible. We are trying to be as flexible as we can so everyone can have a life as well as be in the musical. Please be willing to help us by being as flexible as you can. It is important everyone is at **EVERY** rehearsal they are scheduled for, unless they are ill or on quarantine. It is very hard to create the energy and relationships between the characters if the actors and actresses are not there to portray their characters.

Please consider your schedule BEFORE you accept a part. We are so excited for this production. THANK YOU SO MUCH for wanting to be a part of this adventure! As you can tell, we take our craft very seriously. Our production quality is a direct reflection on our school, our students and our community.

Again, thank you so much,

The SOJO Elementary Musical Team
Ms. Witt-Roper, Mr. LaFleur, and Miss Nancy
